Did you miss the Oregon MACRA Playbook Conference?

On June 22, 2017 Q Corp partnered with the Oregon Medical Association to host the Oregon MACRA Playbook Conference. Over 200 professionals from across Oregon attended panels and presentations on different aspects of MACRA, including deeper dives into MIPS and Alternative Payment Models (APMs).

Materials, resource links, and key takeaways are now available online.

Preparing Providers for MIPS: Focus on Improvement Activities

Stanford University's Clinical Excellence Research Center (CERC) set out to identify common attributes found among high-performing primary care organizations. CERC reviewed national quality and cost data and has identified 11 primary care organizations that are delivering exceptional value to their patients and can serve as a blueprint for others to achieve high performance.
