In the Spotlight!

HealthInsight Oregon Quality Conference

NOVEMBER 15, 2016 | 8:30 AM to 4:30 PM

Registration is still open for HealthInsight's Annual Quality Conference, "Be the Change: Strategies for Health Care Transformation" in Keizer, Oregon at the Keizer Community Center. This face-to-face, interactive community event will explore strategies for transforming health care and engaging patients in an ever-changing environment. The keynote speaker, Tiffany Christensen, is a national patient and family engagement specialist from the North Carolina Quality Center, and she will be joined by local thought leaders.

About Us

Thank you for subscribing to the Patient-Centered Primary Care Institute newsletter. The Institute accelerates primary care transformation in Oregon by bringing together health care providers, clinic staff, technical experts, patients, quality improvement professionals and others to share valuable knowledge and resources. To learn more about our work, visit pcpci.org.

The Institute is continually gathering valuable resources, tools and information to share with practices in all stages of patient-centered primary care home transformation. Find many other resources searchable by topic area, resource type or PCPCH standard [on our website>>>](#)

NOVEMBER 29, 2016 | 8:00 AM

RESCHEDULED DATE! Join us for a webinar that is designed to help educate healthcare leadership and clinicians about coping skills and other resources available to deal with professional and personal changes in the workplace, changing clinical roles, and the potential for burnout.

Informing Community Projects with Community Health Assessments

DECEMBER 7, 2016 | 2:00 PM

Clinicians are often the first to see the contributors to and consequences of poor health behaviors.

Thinking of ways to help our communities address these issues can be of great importance and contribute to a sense of meaning within the community.
