Behavioral Health Integration Resource Library Launch

This fall the Institute announced the launch of the [Behavioral Health Integration Resource Library](#), in partnership with the Oregon Health Authority's Transformation Center. In addition to the great resources the Institute already offers, the library is a comprehensive repository for information, tools, and examples of integrated care solutions - including [virtual clinic visits](#), [expert interview videos](#), webinars, toolkits, screeners, checklists, and more - to support integrated care implementation and quality improvement.

Stay tuned for more great resources offered by the Institute!

The Institute Thanks You for All That You Do!

The Patient-Centered Primary Care Institute is managed by [Oregon Health Care Quality Corporation \(O Corp\)](#) in partnership with the Oregon Health Authority.
